

MEDICARE PRESENTATIONS

Register to attend our two-part presentation:

Are you going to be new to Medicare or helping someone who has Medicare? Our free public education presentations are a good place to start.

MEDICARE 101

What You Can Expect

Learn about Medicare Part A (Hospital), Part B (Medical) and Part D (Prescription Drug). How does Original Medicare work? What are the benefits? What is your share of the costs? When should you make decisions regarding your coverage? Hear about assistance programs that can help pay some of your Medicare costs.

MEDICARE 102

Why Medicare Isn't Enough

Learn about Part C (Medicare Advantage), other Medicare Health Plans and Medicare Supplement Policies (Medigap Plans). What should you consider when deciding if a Medicare HMO or PPO is the right choice for you? Understand how the different Medigap plans cover your portion of the costs of Original Medicare, how they are priced and when is the best time to enroll.
